

Hello! And thank you for using MusicScreen.org Database.

I am the composer and producer of the music you just downloaded. The downloaded file is a full version of the music in high resolution mp3 format. You may therefore try the music in the context of your project before purchasing your license. This can be done directly from www.musicsscreen.org by credit cards or by PayPal payments.

If you prefer bank transfer, please send me a short description of your project with necessary information to create your license:

- Project title (movie , games ... etc.)
- Name of user (company ... etc .):
- Music titles:
- Licence Type: (web , tv, film...)

Payment information will be sent to you.

If your production will be broadcast on television or on radio, you have to give the broadcaster the references of the music used (title, composer name and the exact timing) in addition to this, please download the Cue Sheet and return it completed to: licensing@musicsscreen.org

FREE USE:

On Music Screen the use of music in WEB projects is free in the following cases:

- Student works
- Humanitarian organizations as part of their actions
- Individuals for family and vacation videos.

All other uses are chargeable.

For free use an authorization request is necessary. [More info](#)

By using musicsscreen.org you agree to the [terms & Conditions](#).

Thank you for your support

Hicham Chahidi.
